

As always, the health and well-being of our staff and customers remains our top priority. We continue to receive directions and guidance from the Provincial and Local Health Authorities. Members and Public Booked Tee Time Golfers (id for members will be asked at check in), walk in golfers are not allowed at this time due to the covid regulations required by the government so please make a tee time in advance online this is a temporary measure to ensure your safety and well-being.

We believe that golf can follow all the important Covid-19 precautions and physical distancing requirements and allow for much needed exercise and mental health benefits.

We appreciate the understanding and discipline of everyone to follow the guidelines below to keep everyone safe and healthy.

Not Feeling well?

If you do not feel well.....STAY HOME.

Physical Distancing:

6 feet, or 2 meters.... Please keep your distance from others at all times.

Things you Can't touch:

Flagsticks, cups, other players equipment, other players (no shaking hands or high fives)

Things you CAN touch:

Your own clubs, bag and equipment, your sanitized golf cart

In addition, here are some of the temporary rules in place that allow us to open:

- Walk-ons are not allowed, book a tee time online before coming onto the property
- Memberships must be paid in advance of playing either by phone or online (this process can take too long at the counter at this time)
- Please arrive no more than 15-20 minutes prior to your tee time
- Please pay by Tap if you can (no cash payments at this time)
- Putting green is temporarily closed and will open when it safe to do so
- No rental clubs available at this time. Pull cart rentals will be available and are sanitized after every use.
- Only a specific number of golfers allowed in the golf shop to check in which could change at any time. Please only have one member of your party check in with our proshop to limit the amount of golfers in the building at one time.
- A Covid health screening must be done the day of and every time you come to the facility please see the covid pop up page on our website to fill this out
- Masks must be worn on power carts
- No benches, sand divot mix, ball washers and rakes (use your foot) are available they have been removed from the course until safe to put back out.
- Do not touch flag stick, cups will be turned so that you can easily retrieve your ball without removing the flag.

C a r r u t h e r s C r e e k G o l f & C o u n t r y C l u b

- Carts will be sanitized before they go out. There will be limited carts available due to increased demands and single riders.
- Please try to take all garbage home with you or use receptacles in our parking lot.
- Limited amount of staff working on the property, please show patience they are doing their best to keep you safe and keep us open. Please respect the rules.
- Please be kind to our staff members they are working hard to stay within the current regulations and are only doing what is required from the mandates of the government to stay open. Any abuse (verbal or physical) will not be tolerated and you will be asked to leave the property immediately.
- When you are finished your round, please go to your car and leave the property.
- All customers on the property must be paid for due to our insurance requirements. Only fully paid for green fees/cart fees can access the golf course. There are no spectators allowed.
- At this time the government requires all customers adhere to the current covid guidelines regardless of having or not having a covid vaccine. Thank you for your understanding.

Will there be washrooms available on the golf course? On course washrooms are not available until it is safe to reopen. One washroom will be open for use at the facility if we are allowed by the authorities but we'd appreciate you use the facilities at home before you play.

Will I be required to play with golfers I do not know?

While some golfers may want to avoid playing with golfers they do not know, this might not be practical on days with high demand. Provided social distancing measures are maintained, this does not present any additional risk to golfers. You may be paired up with other golfers this is currently allowed by the Province the only requirement at this time is you must maintain your 6' from other players at all times. If you still do not feel comfortable you may book and pay for 4 green fees to guarantee you are playing by yourself. This is a standard in the golf industry even during covid.

Will Food and Beverage be available?

The food and beverage operations will be required to follow government protocols applicable to restaurant operations. We expect that "grab and go" food and beverage items will be available but, again, this dependant on the applicable government limitations in place once we open. Take out liquor licence requirements are that you must purchase a hot food item with any alcohol take out purchase.

The main reason for many of the closure's restrictions of the putting greens, clubhouse and parking lot is these are very high areas for congregating, which we cannot have at this time. Additional cleaning and sanitization practises will be in place.

We ask if you have to come into our proshop that you please wear a mask or call us from your car if you need an exemption and we will process your payment over the telephone.

As the covid situation evolves the regulations set out by the government may change without notice and the website might not up to date. If you have any questions please call us prior to making your tee time.

By entering our property, you are acknowledging the risk and waiving all liabilities associated with errant balls, potential exposure to illness/disease/viruses and accidents and release the company Carruther's Creek Golf Centre Inc. its owners, staff members and volunteers of all legal action and liabilities. Thank you for your cooperation.
